Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the examiner the three additional documents (one in English, two in Japanese with translations) cited on the accompanying PTO-1449 Form. Copies are provided. This submission is timely in that it is made prior to a first action on the merits of the application.

This will also certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these documents were cited in an Action dated July 4, 2006 in connection with the corresponding Japanese application. The JP Action is in Japanese and a translation is not readily available. However, one of the documents is in English, and translations for the two JP documents are provided.

Please take these additional documents into account, together with the information at pages 1 to 3 of the specification as filed and the document cited at filing from page 2 of the specification, and make them of record.
